

HOUSING OPPORTUNITY!

Would you like to be worry-free about housing costs? Would you like to gain valuable experience working with youth and parenting teens who have experienced homelessness?

BWC is a local non-profit providing housing, counseling and advocacy to youth and families in Santa Clara County since 1973.

We have an immediate opportunity available for volunteer House Monitor for our Transitional Housing Programs located throughout Santa Clara County. The volunteer House Monitor receives a free private bedroom and bathroom in our transitional home in exchange for monitoring young adults age 16-24 that live in the home (curfew checks, monitor chores, etc). Training and 24/7 support is available.

Most volunteer House Monitors have full or part-time employment making this the ideal free housing exchange opportunity!

If you are interested or would like more information about this great volunteer/free housing opportunity, please contact:
